- 1 ? What does it mean to love our neighbor?
- 2 🧑 Jesus teaches us to show mercy through action. In the parable of the Good Samaritan, a traveler cares for a wounded man whom others have passed by.
- 3 🕒 Luke 10:25-37 records Jesus answering a teacher of the law who asked, "Who is my neighbour?" The parable challenged him to consider what acting as a neighbor requires.
- 4 💡 The Samaritan stops, tends the man's wounds, brings him to shelter, and provides for his care. His compassion costs him time, effort, and money.
- 5 🔍 Jesus turns the discussion toward becoming a neighbor to the person in need. Knowing the right answer matters, but His lesson calls us to put mercy into practice.
- 6 🌍 We can live this out in our homes, churches, and communities. We can notice someone who is lonely, help with a burden, or serve a person who cannot repay us. Faith in Christ should bear fruit in the way we love.
- 7 📖 Read Luke 10:25-37 together. Choose one need you can help meet today. Make a simple plan and carry it out. Afterward, explain which of the Samaritan's actions helped you decide how to show mercy.
