1. ❓ How can I keep going when doing right is difficult?
2. 🙋 Keep trusting Christ and doing the good He has given you to do. Trials can grow endurance, and God promises life to those who love Him. Ask for wisdom and help; faithfulness does not require facing every struggle alone.
3. 📖 “Blessed is the one who perseveres under trial because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love him” (James 1:12, NIV). James calls believers to remain faithful under pressure. The crown of life is God’s promised gift to those who love Him, not a promise that every earthly struggle will end as we wish.
4. 📖 “Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything” (James 1:2-4, NIV). Trials can become occasions for faith to grow in endurance and maturity. Joy rests in God’s work through hardship; it does not mean that pain itself is good or that we must hide our grief.
5. 📖 “Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up” (Galatians 6:9, NIV). Paul encourages believers to keep doing good even when results are slow. We can serve faithfully and entrust the outcome and timing to God.
6. 🙏 Heavenly Father, strengthen my faith when obedience is difficult. Help me ask for wisdom, receive help, and keep doing good. Keep my hope in Your promises and my eyes on Jesus. In His name, Amen.
7. 🎯 Choose one good responsibility you feel like abandoning. Pray, ask for help if needed, and take one concrete step to continue today.
